

Benifits

- · So you can review in full screen
- · More visible/quicker way of accessing Comments of current

Notes

- · This is a quick way to add comments/actions to a current event.
- · If you need to do more refindment the comments window would still be advalible.
- · Time / Date / Durration and Type will be shown at the top of fields
- Save and Cancel located at bottom, fields are not manitory
 If save with nothing entered into them or changed then nothing is saved
- · Clicking away or another area is like cancel
